JUDGMENT

***Trump will be humiliated but he can remain true to his purpose,
tread on the powerful Tiger's Tail in the Courts,
and receive Relief in the Highest Court where this will settled.***

***There is no indication of mass riots,
rather the Supreme Court's resolution will be respected
since the controversy ultimately belongs there
making the end result not exacerbation but dissipation of tension.
It might all be settled by June 2024.***

EARTH:	☷ - ☷	Young Yin	-- --	48	The well: drawing essence up into open

3 Line Method: ☷ Water > ☷ Mountain. Turbulence > Stillness

Notes

- Thunder above, unchanging: times of change, drama, shock but forward momentum.
- HEM tells a clear tale: Bad Relations overall; digging deep to bring up essence; proclamation to Highest Court. One line = turbulence to calm = no riots.
- #43 Highest Court: Lake above is speech. Ruling line is the top line. So making speech known at the highest level: this is going to the Supreme Court.
- #40: Relief, Deliverance. Trump is going to be exonerated.
- #3 Changing Line: relations of self to other: Trump behaves poorly for a person in the highest office and is paying a price, he is easy to humiliate. However, he has right on his side and will triumph in the end.
- #10: on the way from #32 > #40 is Treading the Tail of the Tiger. Trump can handle it.
- #32 is interesting: it's about continuity, constancy. Wind below Thunder above could be regarded as a storm of sorts (though without rain). It is energetic. The rain comes in #40 described as the relief felt as a thunderstorm dissipates accumulated prior tension.
- Past #19: Things approaching, looming out of the mist, growing. This has been coming for a while.
- From Past #19 to Nuclear #43 is three months (accumulating yang lines). #43 is 5th month of Asian calendar year so trial around March, SCOTUS around June 2024.

Summation

Trump will be humiliated but he can remain true to his purpose, tread on the Tiger's Tail in the Courts and receive relief in the Highest Court of the land where this is going to be settled.
