*Thunder within the Earth*  
*New Beginnings; arising from below and within*  
**JUDGMENT**

*Leadership from the Past in the second place and in the Primary's first place  
combine into the Derived's sense of growing, nearing  
by way of Revolution, of snake shedding skin based on clarity & warmth within.  
The over-arching context is creating a Good Society.  
The hexagrams except for #49 Revolution are generally simple.  
Interesting Times!*

## YI TEXTS

*Legge: Progress and freedom of action are found in Return. Goings and comings are unimpeded, and friends approach without error. Return to repeat the proper course. Seven days returns the cycle to its beginning. There is advantage in choosing one's path.*

*IMAGE: Legge: Thunder in the middle of the earth -- the image of Return. Thus the ancient kings closed the passes on the day of the winter solstice to prevent travelers from pursuing their journeys, and princes from inspecting their states.*

### Changing Lines 2

*2 Legge: The second line, magnetic, shows the admirable return of its subject. There will be good fortune.*

### Derived #19 Approach, Nearing, Becoming Great

*Blofeld: Approach. Sublime success! Righteous persistence brings reward. However, when the eighth month is reached, misfortune will befall. [The eighth moon of the lunar calendar corresponds approximately to September.]*

### Notes

- PRIM > DER = 1 yang line > 2 yang lines in Earth. Power of the People grows and provides ultimate leadership.
- PAST: #7 Army is Leadership from within the People at 2<sup>nd</sup> line.
- PAST: #7 compliments PRIM and DER nicely with L2 yang & others also in 1st / 2<sup>nd</sup> place
- PAST: #7: Might involve martial law to establish order; or suggests discipline is required
- PRIM; #24 Starting over; time for reforms, a new way forward. Augurs well.
- L2 changing: line of lower leadership from the People > Approach, growth, progress
- FUT: #39 Revolution, Molting; snake sheds skin, Deep State shed from Body Politic?
- DER: #19 Approach, nearing: as one nears it the destination grows. Social progress.
- NUC: #2: Primordial Yin/Earth. Six broken lines = 12 parts = multiplicity = relative world = social relations, governance, management, cooperation, sustenance, society, a nation.
